

# SC CHURCH OF GOD HOME FOR CHILDREN

## Celebrating 67 Years of Ministry

August 2023

Summer at the Home for Children is swiftly coming to a close and a new school year is on the horizon. The kids have enjoyed our Church of God Youth Camps and various other day camps that were utilized to keep them as active as possible. We are so thankful for our great staff who continue to work in unity with the purpose and goal of sharing God's love and hope with those in our care. God is indeed helping us.

Because of the faithfulness of each of you, many basic, yet very essential needs are being addressed on our campus including HVAC units which need regular attention and servicing to keep our House Parents and kids comfortable during these hot and humid SC summer days!

Our 25 acres of primarily green grass is as beautiful as ever. However, as you can imagine, in order for us to keep our campus looking nice, much yard maintenance on the part of many on our team is necessary. Also, for quite some time, we have had several low spots where water has pooled after heavy rain behind House 1. Recently, a contractor came in to divert this standing water and drain it away from and around both ends of the house. We followed up with sod and shrubbery landscaping.

In addition to these and other needs, the cost of everyday operations is great. However, God continues to provide for this ministry through you, our supportive Pastors, Churches, Businesses, and Individuals. **A great big THANK YOU for your faithful prayers and monthly giving.** Again, *we could not do what we do without you! You are making an eternal difference!*

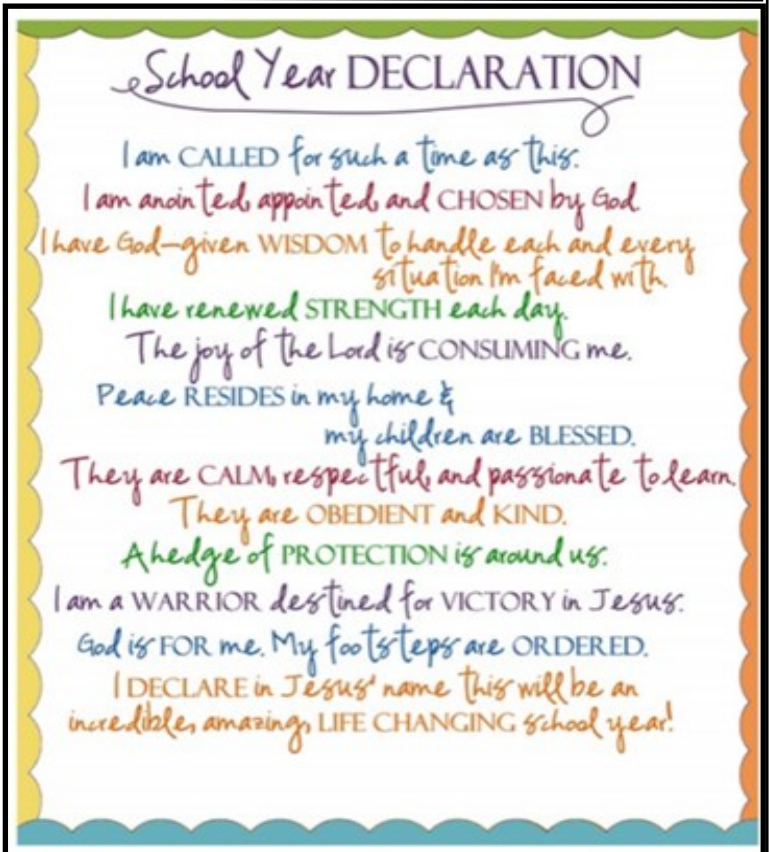

***As a new school year begins, let us declare for all the youth in our churches and on our campus a year of blessing and protection in Jesus' Name!***

***With Love & Appreciation!***
