Happy St. Patrick's Day

And we know that in all things God works for the good of those who love him, who have been called according to his purpose.

South Carolina Church of God Home for Children

We would like to introduce to you Denise Seymore, who joins our team here at the SC COG Home for Children as our new Administrative Assistant.

Denise grew up in Church of God parsonages and has been a member of Columbia Road COG in Orangeburg where she enjoyed singing in the choir, praise team, teaching and attending Sunday School, and even directing VBS.

She graduated from Southern Wesleyan University with a B.S. degree in Business Administration and most recently has served as Administrative Assistant in a Presbyterian Church for the last 37 years. Prior to that, Denise was an office manager in Belk Hudson. Her time in a church office

was a unique experience for which she is grateful. It was a true blessing to work in that atmosphere every day and taught her a lot of life lessons. She enjoys reading and staying in touch with friends. She has one son, David, and a grand dog rescued from the animal shelter.

*We look forward to Denise being part of the HFC ministry. We believe with her educational and experiential background and her genuine love and dedication to the Lord as well as to others, that she will be a tremendous asset to this ministry. **Welcome Denise!***

A VERY SPECIAL THANK YOU to ALL who participated in our annual Harvest Festival Drive by providing food items, paper products, and other basic commodities used on a daily basis here on our campus. Because of you, we are blessed by the love that has been and continues to be poured out to our residents and staff! And as always, **much appreciation to ALL of our faithful supporters for your love, prayers, and giving to this ministry each month!**
