February 2024 Newsletter

When we think of February, we automatically think of Valentine's Day....a time to express our love to those who are near and dear to us. Of course, the ultimate Valentine is found in John 3:16....  
***"For God so loved the world, that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life."***

Because of Christ's love and His giving, we also in following His example should do the same. What a joy it is to see the evidence of your love and giving in so many different ways right here at the HFC. Even though we are unable to send each of

you a personal valentine, we wanted to include these beautiful Valentines that were drawn especially for you – one from each of our four homes. We are **so grateful for the Love of God**

**that has been extended to us through your giving and support here at the SC COG Home for Children! We pray your day is brightened as you are remind how very special you are to us! ♥**

***We love you with ALL of our Hearts!***

We appreciate all that you do for our children. As summer is coming up soon, we have a special need. We are in need of scholarships for our children to attend youth camps this summer. If you would like to give towards a week of Day Camp to a child it will be a gift that will supply learning opportunities, outdoor education, social skills, field trips, swimming, music, art and much more. Thank you for considering this unique gift idea.
