

Happy Valentine's Day

February 2023

South Carolina
Church of God
Home for Children

THANK YOU TO MRS. KIM ALLEN

Romans 13:7 states "Render therefore to all their due...tribute to whom tribute is due...honor to whom honor..." In this month's newsletter we wanted to give honor to Kim Allen who has served the Home for Children with excellence as Administrative Assistant for nearly 16 years. Her journey began here at the HFC in July 1990 when she was hired by Director Rev. T. F. Howell. She also worked with Directors G. Thomas Madden, a short term with Director Roger D. Childers and Interim Director Richard Porterfield and worked maternity leaves for former secretaries. Then most recently, she has faithfully served as my Administrative Assistant since coming to the HFC as Director in 2015.

Kim has exemplified a servant's heart and has been vital to the ongoing mission of the SC Church of God Home for Children, which is to care "for the orphans...in their distress..." (James 1:27).

It is with mixed emotions that she has made the decision to retire. But with two new grandbabies coming soon in 2023, it is her desire in this wonderful new season of life to be able to help care for them like her mother was able to care for her own two children.

Kim will certainly be missed, but she will always be a part of our HFC family!

With Love & Appreciation,

Director Tim Kerns, HFC Board, Staff, Children and Youth

Update: When you have homes that were built in the late 1960's, inevitably there are going to be major plumbing, electrical, and other needs that must be addressed. This work which has to be done in some of our homes presently is a matter of not just functionality but safety and is costing a significant amount of money. If you would like more information about this or other projects and how you and your church can be involved, don't hesitate to call our office.

Additionally, we cannot say **THANK YOU** enough to our regular supporters for your continued prayers for the Home for Children AND for your faithfulness either as 120/240 club members or in other giving throughout the year. May God bless you for all you do!
